Use this link for access the Electronic resources

<https://nu.insigniaails.com/Library/CustomPage?tag=Services>

The screenshot displays the website of the National University of Computer & Emerging Sciences (NUCES). The header includes the university's logo and name, a language selector set to 'EN', and a 'Login' button. A navigation bar below the header contains icons for Home, My Account, University Site, Campus Locations, and E-Resources, with the E-Resources icon highlighted by a red rectangle. Below the navigation bar is a search bar with the text 'Islamabad' and a dropdown menu for 'Title'. To the right of the search bar are buttons for 'Advanced', 'Kiosk', and 'Assets'. The main content area is titled 'Electronic Resources' and lists several digital libraries with their logos and descriptions:

- Association of Computing Machinery (ACM)**: The ACM contains full-text from 28 ACM Journals and Transactions, 10 ACM Magazines, over 40 ACM Special Interest Newsletters, 15 non-ACM journals, and publications, and over 100 annual conference proceedings. Content strengths include all areas of Information Technology, with full archival content for all ACM publications.
- ASTM**: The ASTM Standards & Engineering Digital Library is a vast collection of industry-leading standards and technical engineering information. It covers a broad range of engineering disciplines, including aerospace, biomedical, chemical, civil, environmental, geological, health and safety, industrial, materials science, mechanical, nuclear, petroleum, soil science, and solar engineering. ([More Info...](#))
- EbscoHost eBooks**: EBSCO eBooks
- Elsevier (Science Direct)**: Science Direct is the world's leading electronic collection of scientific journals. Renowned for the high-quality of its content in all branches of science, technology, and medicine. Subscribed subject areas (Computer Science).
- Institute of Electrical & Electronics Engineers (IEEE)**: Provides access to almost 1 third of the world's current Electrical Engineering and Computer Science literature. IEEE Xplore® provides full-text access to 174 IEEE and 46 IET journals, magazines, transactions, and conference proceedings as well as
